There's a fork in the road!
What will you do?

- Spoon

Restrained, Heodan lashes out against his fatigued assailant, but struggles to break his hold.

They are close to you. Despite the wind, from your position, if you were to throw your weapon at the attacker, you would have a good chance at hitting your mark.

1: Throw your weapon at the attacker.
2: [Dexterity 15] [Requirement Not Met]
3: Allow Heodan to break free on his own.
